Wow the weather has been a little crazy lately. Lots of rain in our area. But even with all the rain, we have noticed that loads of motorcycle are on the road as soon as the Sunshine peeks out behind the clouds. This is exciting we love to see everyone out riding. So if you haven't already, do a thorough check on your motorcycle (tires, fluids, levers, lights, brakes, etc.) and then shine-r-up and let's hit the road.

Vicky and I were watching the weather forecast it was predicting rain for our trip to and from the Florida Rally. So, we decided to drive the car. Big, BIG Mistake!! The weather was beautiful all weekend sunshine and warm everyday with a couple minor sprinkle showers. We missed participating in the guided rides and the enjoyment of the ride to and from the rally. All because we were trying to dodge the rain. Well, as I have said before we have rain suits just for those occasions. So no more excuses, just load the bike and lets Ride!

We met up with District Team Members Vance & Fern Oakes and headed out to the Florida Rally on Wednesday took the back roads to Valdosta, GA. Where we met up with GA-Z Chapter Directors Carol & Michael "Woody" Whitlock. We all went to Austins Cattle Company "Steak House" for a great dinner. After dinner I met with Doug Cobb, GA-V Chapter Director for a bit and presented him with the Georgia Chapter-V Charter and Chapter Director's Certificate for Doug & Cindy.

Thursday morning we left Valdosta and headed to Gainesville, FL to the EWMA Florida District Rally. We arrived at the motel and what a great location it was. Plenty of room for parking and the vendors.

EAGLE WINGS MOTORCYCLE ASSOCIATION

Of course the Florida Team had a good line up of vendors including Region “A” **Vendor of the Year KD Cycle**. The Thursday evening meal was very good, each day there was lots of FUN activities as well as informational opportunities. Vicky and I joined up with Bill and Dolly Dodd and participated in the Team Challenge and we won First Place and it was a lot of FUN!

We always have Fun at Rallies, Ride-ins , Fun Days, Etc., because we participate. Key word here is PARTICIPATE!! If you don't attend or participate in at least some of the activities and social events, you are not likely to find the Enjoyment and FUN that the Members that do participate find with EWMA. This applies to all levels starting with the Chapter Gatherings, Rides, Meet & Eats, Fun Days, Rallies, Ride-In's, Etc. If you don't participate with a local Chapter and get involved in the activities, rides, etc. You are really missing out!

We have 8 Georgia Chapters throughout the District that will welcome you with open arms. The Chapter location and Directors contact information can be found on the District Website at www.ewma-ga.com or you can contact anyone of the District Team Members and we will assist you to find the Chapter closest to you. If there is not a Chapter within a reasonable distance for you to participate, but you would like to participate in a local EWMA Chapter. Please contact us and we will assist in getting a Chapter up and running in your area. We never know how many riders there may be around our area that are looking for a Group/Chapter to ride with. You just have to open the door and spread the word, and we can help with that as well.
