Hello Georgia EWMA Members,

Well here we are about a month away from the 2024 Eagle Wings National Rendezvous II. We are getting excited and making our plans for the ride to Green Bay WI. We hope you have plans to join us there for a great time. We know a few Members from Georgia have registered, so we hope to see you there. We as the District Team of Georgia have the task of taken care of On-Site Registration on Saturday August 31st, from 8am until approx. 2pm. If you are attending and would like to hang out with us or give us a hand it would be greatly appreciated. In either case please stop by and visit we would love to see you.

I know it has been rather warm and not really ideal for riding. It is a good time to maybe plan early Breakfast Rides when it is cooler in the mornings and you can return before it gets so hot.

Please hydrate well before and during riding in the heat, take time to cool off often and ride safely.

Recently Vicky and I attended a Chapter T Pool Party/Cookout where we had lots of FUN. We had fun setting around the pool and telling stories of previous events and rides that we had been on as well as crazy activities that we had participated in at different events.

FRIENDS for FUN, SAFETY and RIDING

EAGLE WINGS MOTORCYCLE ASSOCIATION

We also had some delicious hamburgers, hotdogs and great side dishes. We played Jenga and that was a lot of fun not only for the participants but for the spectators as well. The Chapter Family is where it all starts!

We have been members of the same local Motorcycle Chapter for over 24 years. GA-Chapter T is our home Chapter and we love the members that make it up and we have had and hope to continue to have loads of enjoyable adventures with our EWMA Family Members.

It never entered our mind when we bought our motorcycle some 25 years ago, that it would lead us into such a large Family of such good People.

We have been fortunate enough to be able to attend and participate in many Chapter, District, Region and National Events. Over the last 25 years it has become apparent to us if we hadn't got involved and participated with a local Chapter we would have missed out on so much. We would not have met the multitude of Members that we know and call our Friends & Family today.

Therefore, as fellow members we are asking you to Attend and Participate in a local EWMA Chapter where you will find friends that you would have never imagined.

If there is not a Chapter near you contact us and we will help you to start one in your area. It isn't hard to get motorcycle people together for a ride. If you are interested just let us know, we will help you put out the word in your area and at the local motorcycle shops and get you up and running.

Ride Safe,

Tommy & Vicky
