Hello Georgia EWMA Members,

Vicky and I just returned after an 9 day trip to Green Bay WI where we attended Rendezvous II. It was a great trip, we traveled with good friends Bill & Dolly Dodd and we thank them for letting us tag along with them. We feel it is safer to ride in groups of two or more bikes and it is definitely more FUN! Our trip was 2.5 days up to Green Bay, 3.5 days there and 3 days back.

Upon arriving at the Hyatt Regency Hotel/Convention Center. Check in was a breeze and they had made Cookies and Lemonade for the Members. Super nice and tasty as well.

Our National EWMA Team did a great job planning and hosting Rendezvous II. The entire event was great and we enjoyed visiting with our EWMA friends and making some new ones as well. The Georgia District Team had the mission of working the on site registration on Saturday and we were able to cover it with out any problems. If you haven't assisted in working the booths at a major event like Rendezvous, it's not really a job. It is really a fun time. We had fun with our fellow members and enjoyed meeting and talking to people from all parts of the country.

Green Bay is a very interesting and fun city to visit. We visited the Lambeau Field “**Home of the Green Bay Packers**” If you are in the area, we highly recommend that you visit and take the tour. It is fascinating and the history is very interesting.

The Fox River runs through the city and they have several restaurants along the river bank that is within walking distance from the hotel/conference center. We took advantage of these

and had several good meals at the local restaurants. At the Hagemeister Park there was inside dining and you could also dine out by the river. Tried it both ways and it was very good each time. We also checked out the Depot and it was good as well. There is quite a bit of history on the Depot. Zoom in and check out the Historical Marker below.

We understand that many of you are wondering about our 2025 Georgia District Rally. Where and when is it going to be? We are working diligently on getting everything worked out for the rally. We hope to have information out to you by the end of Sept. We have been very busy attending all the District Rallies within Region "A" and Rendezvous II, as well as working to get the Georgia Rally details worked out. We will be visiting each of your Chapters soon and we look forward to seeing you there.

Fall is just around the corner and the weather is starting to cool down a little and will be great for riding. So, plan those Chapter rides and lets keep the FUN rolling.

Ride Safe,

Tommy & Vicky
