Hello EWMA Members,

The 2023 Georgia District Fall Mountain Ride & Camp Reunion is now in the history books. We had a great turnout for the event. The District Team served a spaghetti dinner and fixings, plus Peach and Apple cobbler to our attendees on Friday night. Musician Robby Parker entertained everyone during and after the dinner with an outstanding performance. On Saturday morning the District Team and Chapter Members was up at the crack of dawn preparing for the Pancake and Sausage breakfast for the attendees.

Many took advantage of the guided rides we had scheduled on Friday and Saturday. All the rides were through beautiful scenic back roads. There were several other activities going on as well during the day, such as indoor games, Craft Hour "making a Gnome Scarecrow", Scarecrow Scavenger Hunt, Bingo, Jenga and visiting the vendors.

Everyone seemed to be having a lot of FUN with the scavenger hunt, trying to find the scarecrows that were strategically hidden throughout the campground. Several asked, "where is number 4, I think it has been moved". But it hadn't, it was just hidden very well. However, I think most everyone finally found them all.

Our Region A Directors "Jim & Sue Jackson" had the Region-A recruiting table all set up in full operation and taking care of business. Thanks for all that you do for the members!

It never ceases to amaze me how our members step up to assist when needed. We had so many to assist in multiple areas such as in the kitchen, at the games, ticket sales, registration table and the guided rides. Words can't express how much we appreciate what you have done. Your assistance helped to make the Georgia District Ride-In a big success.

We would like to say a great big Thank You to our Vendors for their support. KD Cycles, Moore & Moore Tupperware & Jewelry, Baabals Ice Cream, Steel Horse Law and MASA. We appreciate their participation making our event a success. We look forward to them being with us again next year.

The fall is in the air and it is a great time of the year to be riding in Georgia. However, the leaves are beginning to fall, so be careful of the leaf piles and wet leaves in the low places as well as the curves.
