

“So You Don’t Do the Camping Thing!!”

That’s ok but why are you missing out on the FUN Activities?

For those of you that don’t camp, there is no reason that you should miss out on the FUN and Social Activities that take place around the campsite.

To enjoy these activities you do not necessary need to own a RV, Camper or Tent. Many campgrounds have cabins, cottages and sometimes a motel as well as campsites. If a Motel or Cabin is not available at the campgrounds, usually there is a motel or cabin close by. There is so much that makes camping FUN and Exciting.

Camping goes right along with Motorcycling, it is an outdoors activity and you meet some of the nicest and friendly people.

The activities are unlimited; we go on rides, hanging out with friends cooking a hotdog or roasting a marsh mellow on an open fire, playing games like Chicken Foot-dominoes, cards or corn hole.

Maybe even float the river, play a game of Putt Putt Golf, relaxing by the campfire, and of course we have group meals and even check out a local restaurant from time to time.

So when you hear of a District or Chapter Camping trip check it out you may be pleased with what you find.
